Proof of purchase is necessary to obtain any rebate. Random on-site verifications may be conducted. All receipts / invoices must be dated and submitted by not more than six months from the date of work performed. Rebates will appear as a credit on your OUC bill. Please allow 6-8 weeks for processing. If you have any questions call 407.434.2256 or fax 407.434.2218.

You can mail this application to OUC—The *Reliable One*, Attn: Conservation, PO Box 3193, Orlando FL 32802.

Please see all rebate incentive requirements listed on the back of this form.

REBATE INCENTIVE REQUIREMENTS

All measures must meet and be installed according to manufacturer's specifications. A **legible** copy of the invoice and proof of purchase are required to obtain any and all rebates. The rebate form must be filled out in its entirety pertaining to the specific rebate requested along with the signature from the customer receiving the rebate.

Please Note: An invoice from any contractor can not be entirely handwritten, and while we understand some contractors are not using official drafted invoices, we will accept proof of purchase in lieu of any official invoice. Please provide a copy of the handwritten invoice along with a copy of whatever method of payment was used for the installation (i.e. front/back copy of the canceled check, copy of the credit card statement, bank statement, etc...)*

1. **Window Improvement: Window Film or Solar Screen:** Shading Coefficient (SC) must be 0.5 or less. Shading Coefficient and total square footage of film installed must be noted on the invoice.
For work performed by the customer: Provide a copy of manufacturer's specification to prove 0.5 or less Shading Coefficient and provide dimensions of the film installed for square footage calculations.
2. **Window Improvement - Energy Star Windows:** Invoice must reflect the type of windows installed and total square footage or the dimensions of each window must appear on the invoice for square footage calculations. Proof of Energy Star is required for each type of window installed, which can be a copy of the window sticker. Caulking for the new windows installed is already included in this rebate.
3. **Caulk / Weatherstripping:** Invoice/receipt of purchase is required to receive this rebate for existing windows and doors.
4. **Cool Reflective Roof:** The total square footage, type of reflective material, and Solar Reflectance, which is required to be 0.7 or greater, must be notated on the invoice. Also, Proof of Energy Star is required to be submitted.
5. **Wall Insulation:** Invoice must list the original R-Value, the final R-Value and the total square footage of insulation installed. **Final R-Value must at least double the original R-Value.**
6. **Ceiling Insulation Upgrade:** Final R-Value, type of insulation and square footage must be included on the invoice.
For work performed by the customer: Provide a copy of the invoice/receipt which must indicate type and quantity of insulation purchased. Also, a copy of the coverage chart for the specific type of insulation installed must be provided along with the final depth measurement after installation. Total square footage and total quantity of insulation installed must be indicated on the rebate form.
For all Insulation Upgrade Rebates, the final R-Value must be R-19 or greater to qualify.
7. **Heat Pump:** Have contractor provide and attach the AHRI Certificate. Model numbers must be included on the invoice.
8. **Duct Repair / Replacement:** Invoice must have an itemized amount for work performed and must reflect the repaired or replaced ducts have been sealed with Mash Tape and Mastic or Underwriters Laboratory (UL) approved duct tape.
9. **A/C Proper Sizing w/ R-30 Attic Insulation:** Provide certified sizing documentation (ex: Manual J).
